

FLEXOBUILD

REDEFINING LIVING

the TRENT

1036ft

BRTRENT082224

WWW.FLEXOBUILD.COM

At over 1000ft², the Trent offers a 2 bedroom layout configuration and can accommodate 1.5 bathrooms. This model makes for a superb cottage, featuring extra high windows for exceptional views. Ideal as an in-law suite, laneway suite, or garden suite, the Trent combines flexibility with modern comfort. Affordable and versatile, it also serves as an excellent alternative to senior home and condo living.

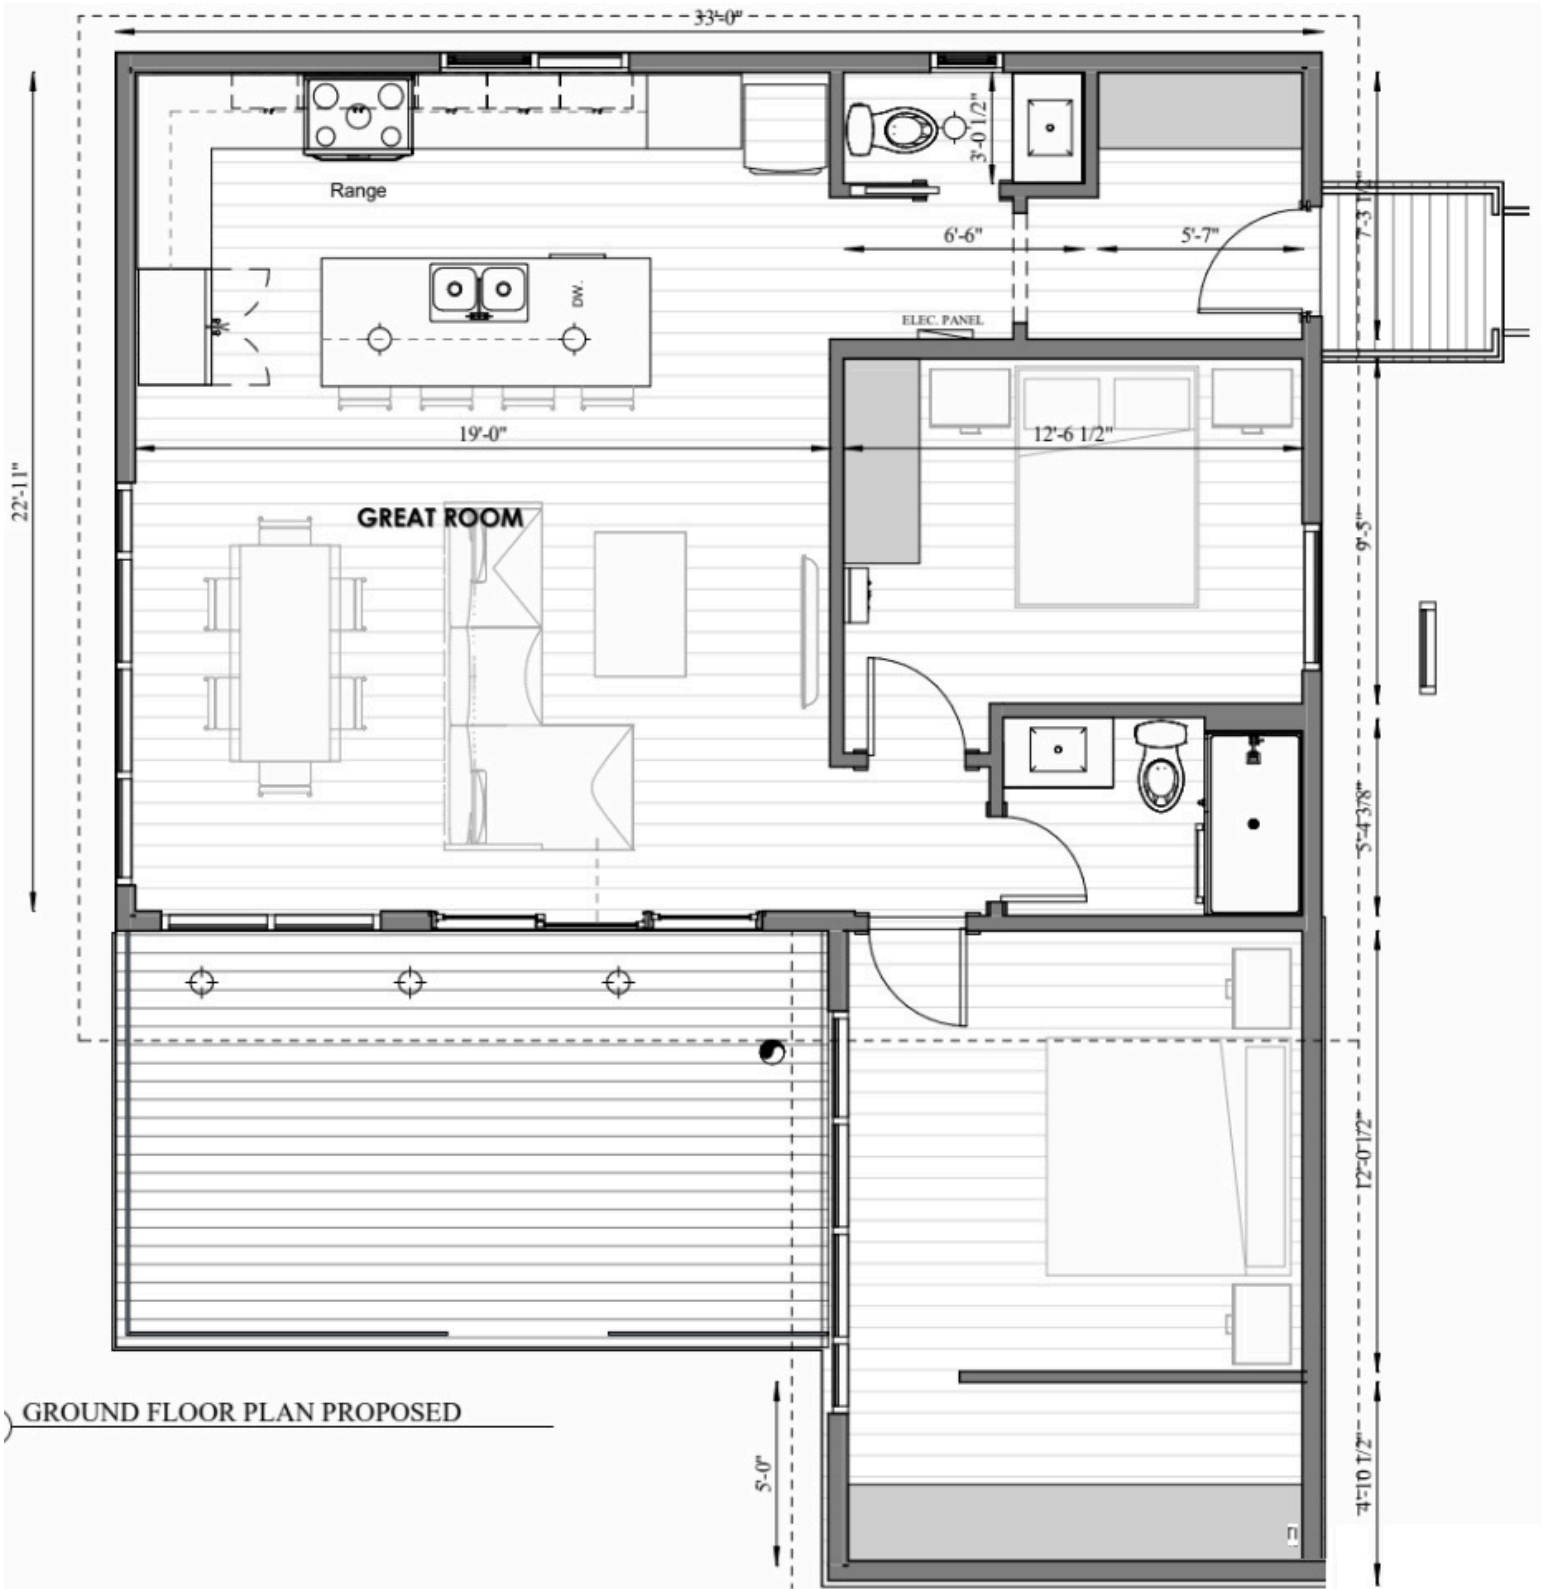

"Integrity, above all else, is the foundation of Flexobuild Inc."
